FURTHER REDUCING YOUR RISK

WIND DEDUCTIBLE BUY-DOWN

A higher deductible means less exposure for your primary carrier and more for you. We offer a Wind Deductible Buy-Down plan to address escalating deductibles and help lower the increased burden of risk assumed by restaurant owners. The deductible has essentially become a major risk for property owners and this plan allows you to reduce your deductible to an amount your business can sustain in the event of a loss.

PROPERTY AND WIND STORM COMPLETE

We offer specialized carriers which are not available to many agencies. These plans are specifically designed for coastal freestanding hotels and resorts and provide competitive pricing.
